

CONFERENCE PRESENTER

DOLORES HALL, DMin

Dolores is a native of Corner Brook, Newfoundland and Labrador, and is newly retired after almost ten years of ministry at Providence Spirituality Centre, Kingston. She spent much of her life ministering as a Presentation Sister in Newfoundland and Labrador. Presently, she has private vows, including one of non-violence, and lives these out in her ministry as an Associate member of the ecumenical community of Iona, Scotland. Dolores is happy to be with us for this weekend of retreat, and to share with us her passion for the fullness of all life on this planet, and for a contemporary Christian spirituality that honours and sustains it.
